

James Stewart Calculus 7th Edition Code

Success in your calculus course starts here! James Stewart's calculus: early transcendentals texts are world-wide best-sellers for a reason: they are clear, accurate, and filled with relevant, real-world examples. We are proud to announce the author team who will continue the best-selling James Stewart Calculus franchise. Saleem Watson, who received his doctorate degree under Stewart's instruction, and Daniel Clegg, a former colleague of Stewart's, will author the revised series, which has been used by more than 8 million students over the last fifteen years. This review is for the hybrid edition, which is not the full book, leaving out some critical content that is included with the other 7th edition versions ("Calculus" and "Single Variable Calculus") by the same author. Online homework and grading tools for instructors and students that reinforce student learning through practice and instant feedback.
